Votes Dividing the Parties

Charting votes on which a majority of one party opposes a majority of the other shows that partisanship has been rising for decades; Senate agreements this year have kept it at bay.

Federal Spending Projected for 2020
CBO -- January 2011 Est.

"Other Health Programs" includes: Health insurance subsidies, exchanges, and related spending; Department of Defense Medicare-Eligible Retiree Health Care Fund (including TRICARE for Life); Children's Health Insurance Program, and other programs.
Rising Burden of Federal Debt Held by the Public

- Tax Cuts Extended and AMT Indexed
- Discretionary Appropriations Rise with GDP
- CBO's Baseline

Percentage of GDP

Actual vs. Projected

Debt Scenarios Under Obama and Ryan Plans
Federal debt held by the public as a share of GDP

The surging federal debt has spawned several ideas for reducing the red ink. Democrats and Republicans are at odds over proposals by House Budget Chairman Paul D. Ryan, R-Wis., and President Obama.

*Assumptions include extension of the 2001 and 2003 tax cuts and gradual increase in Medicare physician payment rates.
Sources: Office of Management and Budget; Congressional Budget Office, CQ Weekly, May 2, 2011, All rights reserved.
## Comparison: President Obama and Chairman Ryan
### FY 2012 Health Policy Proposals

### President Obama

- **Medicare**
  - SGR relief thru 2013, freeze payment rates for next 10 years.
  - Strengthen IPAD with automatic sequester.
  - In 2018, strengthen IPAD with target annual Medicare spending growth per beneficiary GDP + 0.5%.
  - Limit Rx payments via Medicare purchasing power.
  - Improve patient safety via Partnership for Patients initiative.

- **Medicaid**
  - Alter Federal matching rate with a single formula
  - Close State loopholes that allow states to increase matching rates.

- **Estimated Budget Impact:**
  - 2012-2021, **Cost + $250 billion** (CBO)

### Chairman Ryan

- **Health Care General (2012)**
  - Repeal most provisions of PPACA
  - Repeal individual mandate
  - Repeal CLASS program
  - Repeal IPAD
  - No SGR relief specified
  - Retain Medicare Advantage savings
  - Medical liability reform

- **Medicare (Post 2022)**
  - Raise age of eligibility; 67 in 2033
  - Persons turning 65 in 2022 not enroll in current Medicare program but be entitled to a premium support payment (~$8,000) indexed for CPI-U, purchase private health insurance.

- **Medicaid (2013)**
  - Block grant allocated to states, indexed for population growth and CPI-U.

- **Estimated Budget Impact:**
  - 2012-2021, **Savings $2,204 billion** (CBO)
**Comparison:**
**FY 2012 Health Policy Proposals**

Q: What is your view about the future of Medicare for senior citizens?

- It should be changed to a program where people receive a check or voucher to shop for private health insurance: 65%
- It should remain as a program of defined benefits: 34%
- No opinion: 2%

NOTE: Total may not add up to 100 percent because of rounding or not showing "no opinion" data.

Source: Washington Post-ABC News poll was conducted by telephone April 14 to 17, among a random national sample of 1,001 adults, including users of both conventional and cellular phones. The results from the full survey have a margin of sampling error of plus or minus 3.5 percentage points. Sampling, data collection and tabulation by TNS of Horsham, PA.
# Health Care Reform
## Court Rulings & Possible Schedule
### May 2011

### FIRST ROUND
- **Jan. 31, 2011**
  - **Northern District of Florida**
  - Republican appointee
  - Florida v. Dept. of Health and Human Services
  - Judge Roger Vinson declared the individual mandate unconstitutional saying the requirement is 'not severable' from the rest of the law.

- **Dec. 13, 2010**
  - **Eastern District of Virginia**
  - Republican appointee
  - Virginia v. Sebelius
  - Judge Henry E. Hudson ruled that the individual mandate is unconstitutional, saying the provision 'would invite unbridled exercise of federal police power.'

- **Nov. 30, 2010**
  - **Western District of Virginia**
  - Democratic appointee
  - Liberty University v. Geithner
  - Judge Norman Moon ruled that by forgoing insurance, plaintiffs are 'making an economic decision to try to pay for health care services later, out of pocket.'

- **Oct. 7, 2010**
  - **Eastern District of Michigan**
  - Democratic appointee
  - Thomas More Law Center v. Obama
  - Judge George Steen found that the requirement to carry insurance or pay a fine was 'essential to the larger regulatory scheme' of the health overhaul.

- **Feb. 22, 2011**
  - **District of Columbia**
  - Democratic appointee
  - M. Mead, et al. v Eric Holder
  - Judge upheld the individual mandate.

### SECOND ROUND
- **11th U.S. Circuit Court of Appeals**
  - (Atlanta, GA)
  - Judge upheld the individual mandate.

- **Fourth U.S. Circuit Court of Appeals**
  - (Richmond, VA)
  - Judges
  - 5 Democratic appointees
  - 6 Republican appointees
  - Oral Arguments: June 6

- **Sixth U.S. Circuit Court of Appeals**
  - (Cincinnati, OH)
  - Judges
  - 9 Democratic appointees
  - 8 Republican appointees
  - Oral Arguments: May 10

### THIRD ROUND
- **U.S. Supreme Court**
  - Ruling not expected until 2011-12 Supreme Court term at earliest
  - Judges
  - 4 Democratic appointees
  - 5 Republican appointees

### Note:
- Other lawsuits in district courts around the country may eventually go to other appeals courts and perhaps the Supreme Court.

- Expedited Review
- Oral Arguments: June 1
- Too recent for an appeal to have been filed.
