

Forces Driving Delivery System Innovation: Will They Improve Quality and Value?

Robert Mechanic, MBA
Brandeis University

The Princeton Conference
May 14, 2014

Charge to the Panel

*“You guys better
fix this system
before I have to
use it!”*

“That goes for me too”

Stuart's Granddaughter Weighs In

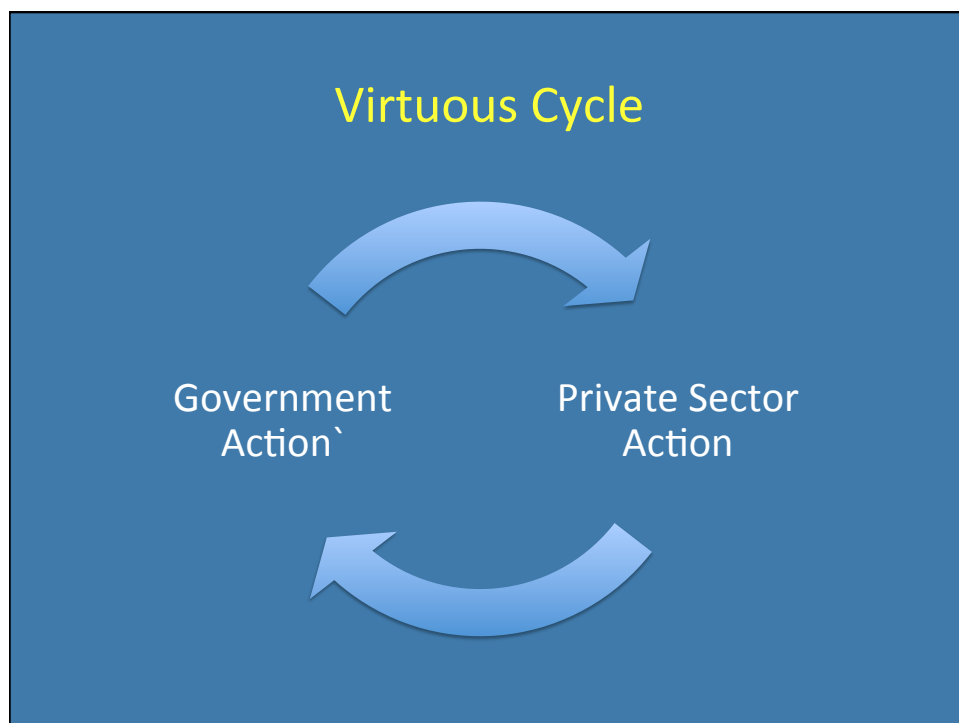

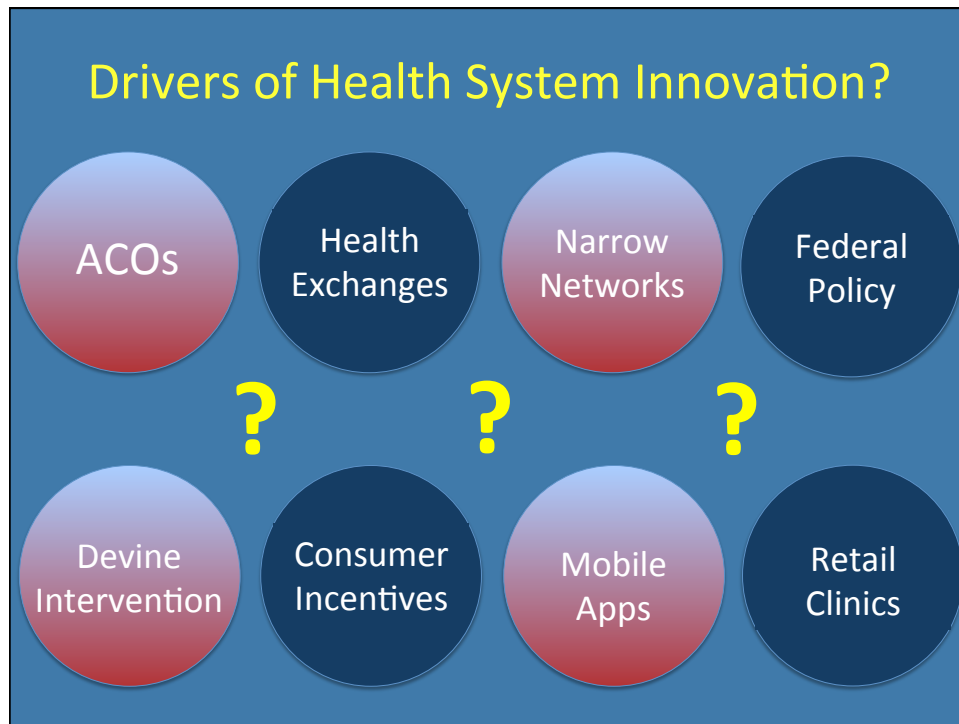

*Give grandpa
the best care
money can buy
... just don't
spend too
much!*
