

California Health Benefits Review Program

Overview of CHBRP and Work on Social
Determinants of Health

Garen Corbett

Director

May 25, 2016

What is CHBRP?

- CHBRP is an independent, analytic resource serving **the California Legislature**, grounded in academia and policy analysis
 - Administered by the University of California
 - Provides timely, evidence-based information to the Legislature
- Neutral – without specific policy recommendations
- Fast – 60 days or less

CHBRP'S WORKING DEFINITION

- Social determinants of health **are conditions in which people are born, grow, live, work, learn, and age.** These social determinants of health (economic factors, social factors, education, physical environment) are shaped by the distribution of money, power, and resources and are impacted by policy.

(adapted from Healthy People 2020, 2015; APHA, 2014).
